Principal Tenders & Contracts, Fyfe Pty Ltd

Lucy offers close to 15 years' experience in South Australia's resource industry covering finance, project management and delivery. These competencies are underpinned by qualifications in economics and commerce and a pragmatic approach. Combined, these qualities saw Lucy progress into a managerial position in the project management team before establishing the project controls group at Fyfe. Currently Lucy holds the role of Principal Tenders and Contracts within Fyfe's Commercial Services Business Unit where she is influential in tender negotiations, business development, process improvement initiative and compliance with contractual obligations. Lucy is also a current board member of BIOSA.

"The resource industry is expansive, in every way. Professionally it has offered diverse and exciting career opportunities that have challenged, developed and engaged me. It's exciting to be part of this lucrative and innovative field."
